T800

TWO-WAY RADIOS

GO **LOCATE**

The TALKABOUT T800 allows you to share and track locations with your travel companions. No cell service, no problem. Just download the APP, connect your smartphone via Bluetooth and you now have the ability to locate a friend's campsite, share your current location and send messages- all while exploring off-grid. You can also control your radio setting from the TALKABOUT app. Skiing, hunting or at a music festival, the T800 has an IPX4 rating and a range of up to 35 miles* to keep you connected no matter where your adventures lead.
